Questions Families May Ask About The New Program(s)

How will our child be introduced to his or her new setting?

When can we meet the staff before our child receives services?

What supplies will our child need?

How are food, snacks, and toileting handled?

Does the staff understand the times when our child needs special help?

Are there additional supports (e.g., equipment or training) that may be needed for our child to be successful?

How will our child participate in fire safety drills?

How will our child be transported to and from programs and/or on field trips?

When can we do a trial run on the bus if needed?

What activities are available for families?

How will the staff communicate with our family?
